Do you teach about the law, civics, or government? Then this workshop is for you!

- Increase your knowledge of state and local government
- Expand your understanding of public policy
- Learn how to improve your instruction using the authentic learning strategies of Project Citizen.
- Explore tricks and techniques for completing successful projects that teach practical skills in government and civics.
- This hands-on workshop will include many resources (websites, handouts, contacts) for teaching civics and government, state and local government and public policy.
- Will include guest speakers and a field trip to the State Capitol.
